Wow!. . . It hit me . . . A Rude Awakening . . .

Now is the time for me to stand on my own, to show myself what I really am, to learn what I need to learn and to love what I want to love . . . A time to grow.

Dedicated to Senõr Reyes
with Love and Admiration
because he is . . .

a Friend

A friend is a person who will:

Help you in the hour of trouble;
Who will lend you a dollar without adding the interest;
Who will help you uphill when you are sliding down;
Who will defend you in the hour when others speak evil of you;
Who will believe in your innocence until you admit your guilt;
Who will say behind your back what he says to your face;
Who will shake hands with you whenever he meets you, even though you wear patches;
And who will do all these things without expecting any return.

Activities

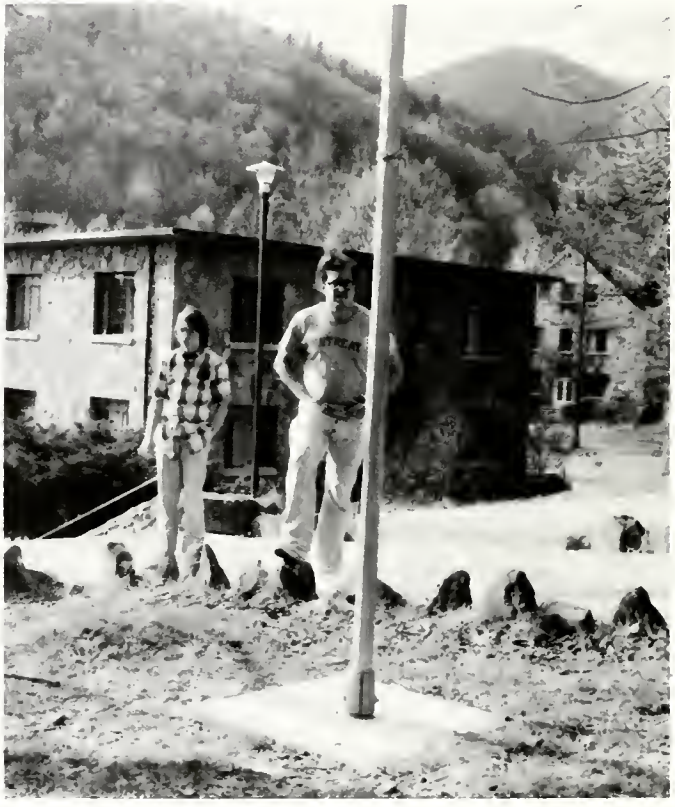
To be able
to find joy
in another's
joy . . .

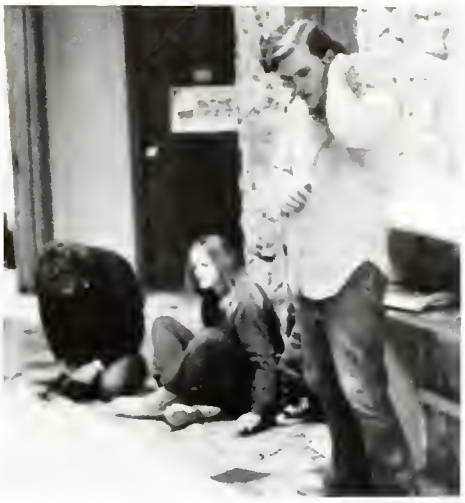
. . . that is the secret of happiness.

Georges Bernanos

The most lost day of all is the day on which we do not laugh.

Unknown





We worry as though we had a thousand years to live! Let us rather strive after the gentle humor of the heart which knows how to smile at the world, at our Fellow-man, and at itself, and which can stand a little above things.

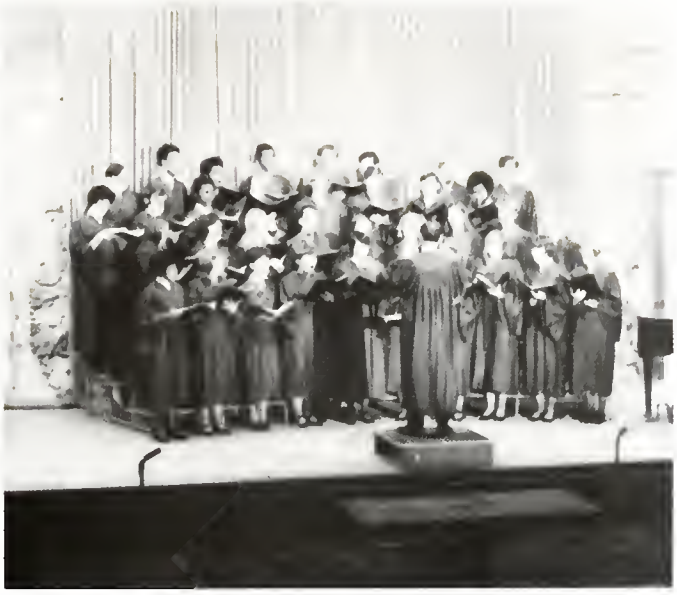
A man has his ups and downs through life. When he is down, he needs . . .

. . . A friend to help him up.

The empty loneliness that parting brings . . .

. . . These are the lonely things.

Rod McKuen



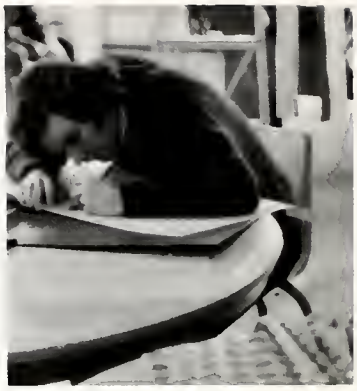
"Loneliness is but a word . . .
'tis but a word, that
you've heard until you
are alone."

Maetin Buxbaum

There are some
who ask why,
who want to
know . . .

Who dare
to
try.

Rod McKuen



So long as
I can see,
I will keep
looking . . .

New pressures I've
never seen before
The mind crams and
begs for more.
Pessimism builds and
strikes deep
escape crys;

I'll fall
asleep —
A knock at the
door,

"Go away,
Don't come in."

It's only me . . .
a friend."
